Gen2™

High Output LED Linear Luminaire

GRAZER | GRAZER HO | WASHER | WASHER HO

Doing the possible better; the impossible for the first time.

The first of its kind, the Gen2™ from i2Systems represents progressive advances in engineering, technology, design & performance.

This all-new model gives lighting designers the ultimate in flexibility and simplicity, with the assurance of best-in-class light and build quality. The perfect complement to your ideas.

Outdoor

Engineered to graze to high heights and evenly wash outdoor walls and surfaces.

Whether a modern facade or a historical site, our low profile design places emphasis on the lighting effect rather than the light fixture itself.

Small size, Big difference

Gen2 vs. Typical LED fixtures with similar or less lumens.

What you won't find anywhere else

Get Connected

Patent-pending custom connectors allow vertical installation and simple re-lamping - without disassembling an entire run.

A Perfect Blend

Patented optical system provides close-to-fixture illumination with no mixing distance or individual LED beams.

Mind the Gap

With a wide lateral throw, even large spaces and turns are filled in with even light.

Too wide? We have baffles too.

Lumens / ft

Advanced Engineering

Designed & Made in the USA

Thousands of Architectural LED installations worldwide since 2006.

100%

Inspected
Burned-in
Leak Tested
Family Owned

1% Dimming

With patented LightLink™ technology, dim hundreds of Gen2 fixtures to 1% with a single 0-10V interface. No trimming, no flicker, no worries.

Active Thermal

Patent-pending on-board temperature monitoring discreetly dims the fixture upon signs of overheat. Constantly protecting your investment.

Perfect Color

- LEDs Placed In-House
- 3-Step MacAdam Ellipse binning*
- 85 typical CRI
