

PERFORMANCE ELEVATOR COVE & PERIMETER LED

GEN5™ ELEVATOR

-  Incredibly Bright
-  No Socket Shadow
-  Simple Dimming
-  Plug 'n Play Hookup
-  Designed & Made in the USA

i2Systems®

Introducing performance LED cove and perimeter lighting for Elevators. With high performance and patented optics, the Gen5™ Elevator provides premium illumination with a brightness similar to fluorescent with no socket shadow or light gaps between fixtures.

Why Patented Optics Matter

ELIMINATE SOCKET SHADOW

The Gen5 Elevator's patented optical system is engineered not only for maximum performance and efficiency, but also to provide a wide angle of light distribution in the linear length of the fixture.

This means that even with gaps between fixtures (up to several inches or more), you can expect uniform light on the illuminated surface.

Perfect Color

DON'T SETTLE FOR SUB-PAR COLOR

The Gen5 Elevator is available in 2 colors of white light. As with all i2Systems products, expect perfect color consistency – light-to-light, batch-to-batch.

● 3000°K WARM

Our 3000°K Warm White is the preferred choice for premium cab interiors.

● 4000°K NEUTRAL

For crisp cab lighting, our 4000°K neutral white offers excellent color quality at a slightly cooler color temperature, while still maintaining hints of warmth to ensure wood and skin tones aren't washed out.

No Comparison

WHY THE GEN5 ELEVATOR STANDS ABOVE THE REST:

- Uniquely Designed for Elevators
- Very High Light Output
- Perfect Color Consistency
- Engineered for Long Life
- Active Thermal Management
- Plug 'n Play Install / Relamping
- UL 94V-0 Flame Rating
- Integrated Dimming
- Made in the USA

-  **Incredibly Bright**
-  **No Socket Shadow**
-  **Simple Dimming**
-  **Plug 'n Play Hookup**
-  **Designed & Made in the USA**

PS24V75W-E01D	Power Box w/ Dimmer Hookup
LL-101-01	LightLink Dimmer <i>(Required to enable Dimming)</i>

Each power box will power up to 20 Feet of Gen5 Elevator.

To enable dimming, install LL-101-01 Dimmer into Power Box (plug 'n play), sold separately.

ACCESSORIES

Simple Power

i2Systems all-in-one E01D power box powers up to 20 feet of Gen5 Elevator fixtures with outstanding performance.

Snap-In Mounting

Adjustable, fixed and end-mount pivot brackets make mounting simple.

Simple Dimming

i2Systems LightLink plugs directly into E01D Power Box to enable dimming. Non-Volatile Memory recalls last intensity with power cycle.
